

# Gaining Professional Recognition

**Speaker: *Judy James, Faculty & Staff Career Services Manager, Training & Development, University of Georgia***

- ? Why should people at the workplace respect you?
- ? How would others notice these superior qualities in you?
- ? Do others feel valued and respected when dealing with you?
- ? What do you need to improve to move forward in your career?

Have you asked yourself any of the questions above during your career? If you answered yes to this question, then now is the perfect opportunity to find out the answers. You are invited to join us ...
